

THE MID MARSH CHURCHES

St John the Baptist, Gt & Lt Carlton

At the end of a tree lined driveway we find St John the Baptist, the parish church of Great Carlton and Little Carlton.

The church works closely with the village, providing many social and community events in both the church and the hall. Our newly completed kitchen facilities and toilet (made possible by lots of hard work and generosity) allow us to offer more hospitality.

We have a service of Holy Communion on the fourth Sunday of each month, and morning prayer on the second Sunday. For more details see our newsheet.

We are in the process of compiling a Book of Remembrance to record the names of all those connected to our villages who are no longer alive.

Our church is kept open during the day if you wish to visit.

Our church's history can be found here

For more information about the church building click on www.britishlistedbuildings.co.uk
