

## St Leonard's Church, South Cockerington

At the end of the lane we find St Leonard's, serving the village of South Cockerington.

Visitors often come here to look at the fine alabaster effigy of Sir Adrian Scrope (1563-1623).

Our newly completed kitchen facilities and toilet (made possible by lots of hard work and generosity) allow us to offer more hospitality.

One much look forward to events is our annual fun dog show, and we hold regular coffee mornings, concerts and a quiz.

We have a service of Holy Communion on the third Sunday of each month and morning prayer on the second Sunday. We have recently introduced a Sunday afternoon family church on alternate months. For more details see our newsheet.

Our church is kept open during the day if you wish to visit
