

St Peter's Church, Saltfleetby

St Peter's serves as the parish church for Saltfleetby, Saltfleet and Skidbrooke and is an Anglican and Methodist Local Ecumenical Project.

In 1877 the church was moved about ½ a mile down the road to its present location – with the church tower (locally known as 'The Stump') remains in its original position with the churchyard surrounding it.

We have a service each Sunday morning, alternating between Anglican and Methodist worship. For more details see our newsheet. One the first Wednesday of each month we host 'Coffee, cake and company'. And change to enjoy and drink, something to eat and a friendly chat.

We often welcome children from Saltfleetby Church of England School and Theddlethorpe School for acts of worship.
